Subject: RE: Appendix A: SMBNEP Summary of Key Elements

Thanks, all!

I'm taking Tom off this thread and cc'ing Heather for his schedule. Tom is out of the office until 4/22, but Heather or I can access his calendar for you.

I'm available (PST):

- 4/29 AM
- 4/30 AM
- 5/1 AM
- 5/2, 9-10, 11-12, after 2:30

- 5/3 - not at all on this day - it's the Southern California Academy of Sciences annual conference, and we'll be presenting on quite a few of our research projects that feed into our Comprehensive Monitoring Plan data gaps.

After a quick glance at Tom's calendar, it looks like he might have most of the same times available... That's if he's not doing abalone outplanting which looks like that whole week.

Heather - can you confirm?

Thanks!

Karina Johnston

Thanks, Erica. It didn't come through for me. Strange.

I would like to schedule a call to SMBNEP staff to share the Review Team's preliminary findings during the week of April 30th. Can you all please let me know your availability for that week? Jennifer, can you please do the same?

Thanks. FYI, I'm at an all day retreat today so I'll be away from my desk after I send this email.

Vince

Karina, thank you for the time you spent putting this together.
Vince, the attachment came through for me. Can you see it now?

Erica

Hi Karina,

Thanks for the message. I don't see an attachment with your email. Are we able to access the document through the same Dropbox link?

Thanks again for your diligent work on this.
Vince

Subject: Appendix A: SMBNEP Summary of Key Elements
Importance: High

Hello PE Review Team -

Attached, please find "Appendix A: SMBNEP Summary of Key Elements". This document further summarizes the information in the Program Evaluation package, and we hope it contributes to your review process.

Please let us know if you have any questions! Thank you for the opportunity to provide supplemental summary information.
